## Wills and Bequests Provide Support for the Future

One of the most important decisions an individual can make is the distribution of assets. The members and friends of Daughters of the Nile are well-known for their charitable nature and history of service to others. Including the Daughters of the Nile

Foundation in one’s will means the legacy of helping children can continue into the future. You can make a real difference in the lives of children with a meaningful gift that costs nothing today.

There are many ways individuals can make a charitable bequest to

the Daughters of the Nile Foundation, and a gift can be designated for the Convalescent Endowment Fund or the Convalescent Relief Account. For more information, contact the Daughters of the Nile Foundation, your financial planner or trust attorney.

## Printed Materials Help Promote Foundation

Brochures and other printed materials are available from the Daughters of the Nile Foundation to explain our philanthropic work. These brochures are appropriate for use in packets for new members, at luncheons and teas, and at functions welcoming prospective members to our Organization.

While our Foundation is relatively new, our philanthropic purpose has a rich history of giving to support Shriners Hospitals for Children®. One of the challenges for our members is spreading the word of the remarkable work done by Daughters of the Nile.

As a fully-qualified 501(c)(3)

public charity, the Foundation provides an attractive opportunity for local businesses and corporations to support Daughters of the Nile in their Fundraising efforts.

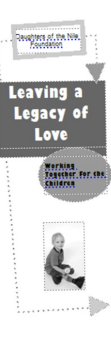

Foundation brochures, as well as small Fact Cards are available through the Supreme Princess Recorder’s office.

## New My Gift Incentive Items Available

The My Gift incentive program provides opportunities for members to support the Convalescent Endowment Fund while receiving a gift in return. These items make perfect gifts to give or receive.

The Caring for Kids pin collection is very popular with the members.

A new pin unveiled at the 94th Annual Supreme Session in June depicts children playing with balloons. This beautiful pin in gold and silver is available for a contribution of \$25. Pins from

previous years are available for \$20.

Pledge items provide a wonderful way to support the CEF. A beautiful pin is given at the time of the first donation and a decorative item is received upon completion of the pledge. The newest pledge item is "Serving Children Around the World" with a beautiful crystal globe and matching pin. This item is available for a one-time donation of \$500 or a pledge of \$100 per year for five years.

If you would like additional information on the My Gift program, you may view the items on the website

([www.daughtersofthenile.com/chari\\_gift.htm](http://www.daughtersofthenile.com/chari_gift.htm)) or contact your Charitable Giving Chairman. You may also contact Betty Nohle, Chairman of the Supreme Temple Charitable Giving Committee.

Another new item available from the Daughters of the Nile Foundation is a beautiful silk scarf with the white rose and a 'Working Together for the Children' design (photo at right). The scarf is available for \$30 (plus S & H) with all proceeds going to the Convalescent Endowment Fund. Look for an order form on our website at [www.donfdn.org](http://www.donfdn.org) or send a request for more information to [contact@donfdn.org](mailto:contact@donfdn.org).

## Stepping Stones to Happiness Certificates

Since 1955, Stepping Stones to Happiness certificates have been given by Daughters of the Nile in Honor or in Memory of individuals. These certificates, available for a \$25 donation to the Convalescent Endowment Fund are as wonderful to receive as they are to give.

As it was time to reprint the Stepping Stones to Happiness

certificates, some minor modifications were made while maintaining the traditional appearance of the certificate. We have gone back to the smaller size, on a higher-quality stock certificate paper and updated the graphic of the woman and child only slightly. While the certificate itself is only symbolic, we wanted to maintain the traditional appearance while making it a

nice item to present.

Stepping Stones to Happiness certificates may be obtained using a major credit card from the Foundation website at [www.donfdn.org](http://www.donfdn.org) or by sending a check/money order made payable to the Daughters of the Nile Foundation to: 411 Windsor Lane—Northwoods, New Braunfels, TX 78132-3837.

## Daughters of the Nile Foundation Helps Children

The Daughters of the Nile Foundation was incorporated as a fully-qualified, non-profit organization in 2007. As a 501(c)(3) public charity, contributions to the Foundation are tax-deductible. Donations may be made to the Convalescent Endowment Fund, an irrevocable and permanent trust fund, from which interest income is used to support Shriners Hospitals for Children®; or to the Convalescent Relief Account, the funds from which are used to support Shriners

Hospitals for Children® in the year in which they are received.

While our Foundation is fairly new, our philanthropy is well established. Since 1924, Daughters of the Nile have been

providing monetary support to Shriners Hospitals for Children®. This remarkable network of 22 specialty pediatric hospitals provides care for children at no cost to the child or the family. Over \$46.9 million has been given by the Daughters of the Nile during their long association with Shriners Hospitals for Children®.
