Working Together for the Children

VOLUME 7, ISSUE 2

SUMMER 2014

\$2,000,000 for Children!

It has long been a dream of Daughters of the Nile to top the \$2 million mark for Shriners Hospitals for Children®. 2014 is the year that dream becomes a reality!!

Thanks to members of Daughters of the Nile, the public and our corporate sponsors, donations for the previous year were at an all-time high.

The distribution from the Daughters of the Nile Foundation totaled \$1,626,523.00 and from the Canadian Founda-

tion, \$435,542.00 for a **total of \$2,062,065.00**. This represents an increase of nearly \$338,000 over the donation last year.

Not only is it amazing to be able to contribute \$2 million for patient care, research and other services for children, this brings the total amount

donated to Shriners Hospitals for Children® to over \$54 million. This is, indeed, a wonderful way to celebrate the 100th Anniversary of the Daughters of the Nile.

Each year, the annual contribution from the Daughters of the Nile Foundation is distributed between the 21 hospitals in the United States and Mexico, and the donation from the Canadian Foundation is sent to Shriners Hospitals for Children®-Canada in Montreal.

CEF tops \$30 million

The value of the Convalescent Endowment Fund now exceeds \$30 million, thanks to a strengthening economy, an increase in donations, and diversity of the portfolio. This is a huge milestone which enables the Foundation to contribute even more

to the care of the special patients at Shriners Hospitals for Children® across North America.

In 1994, the value of the CEF was \$9 million; through member donations and the Foundation's ability to promote donations from corporations and the public at

large, this irrevocable trust has more than tripled in value.

The investment strategy for the Convalescent Endowment Fund plans for long term growth and for maximizing the amount we are able to give for patient support.

Mabel R. Krows Legacy Society

Have you remembered the Daughters of the Nile Foundation in your estate plan? If so, we would like to recognize and thank you. All that is required is

a photocopy of the specific section of the will or trust naming the Foundation. If you would like information on the Mabel R.

Krows Legacy Society, or ways you can include our philanthropy in your estate planning, contact any member of the Foundation Board.

Non-member donor honored

A reception was hosted by Tab'Itha Temple No. 135, Ft. Myers, Florida, on April 14th to honor and present Agnes O'Melia with the White Rose Society plaque. The White Rose Society is an honorary award given by the Daughters of the Nile Foundation to non-members who have given outstanding service to or have contributed in some significant monetary way to the Foundation. For several years, Agnes, a delightful 99 year old non-

member, has been extremely generous and a staunch supporter of the Daughters of the Nile Foundation, Convalescent Endowment Fund. Having experienced the personal tragedy of her son Brian

being burned as a young child, she recognizes the importance of Shriners Hospitals for Children® and the support extended to them by the Daughters of the Nile. Thanks to the generosity of Agnes and other non-member supporters, the Daughters of the Nile will be able to continue their commitment to Shriners Hospitals for Children® - making a difference, one child at a time.

'Agnes O'Melia recognizes the importance of Shriners Hospitals for Children®'

Mom expresses thanks

Editors Note: The following is a testimony provided by PJ Barnette, whose daughter Addisson was treated at Shriners Hospitals for Children®

‘Shriners took the time to listen to us when no other physician would’

As a single mom, providing health care for a child is very difficult, especially when that child has a medical condition. When my daughter Addisson began walking, I noticed her gait was different. I also noticed she was grimacing with each step, indicating she was in pain. I took her to her pediatrician who said she was fine and would grow out of it. At around four, Addisson started walking on her tip-toes at all times, unable to flex her feet, and she would cry if I attempted to flex them for her. Every doctor said she was fine and would grow out of it. She didn't and at age 6, she was unable to flex her feet without excruciating

pain. Her feet pointed outward, and then we found the Shriners through her papaw who is a Mason. We were referred and had an appointment in about a month. The doctors didn't even need an x-ray to know that my daughter's tendons were not growing at the fast pace of the rest of her body. She needed extensive physical therapy (which they taught me to do) and specific orthotics for her shoes which were

She will need to return to Shriners once she is in her teens, but she does walk and is very active—something I did not see for her future. Shriners took the time to listen to us when no other physician would. They treated my daughter when I had no insurance or money. Addisson now plays volleyball, basketball and is a competitive archer. Without Shriners, none of this would be possible; we would still be searching for an answer that, looking back, was so simple. There is a world of possibility out there for my daughter and, without the Shriners, it would not have been possible.

Addisson and her mother at the Merak Temple No. 104 Going the Distance for the Children walk in Waco, Texas in March 2014

made before we left the hospital. We received follow-up and therapy with the Shriners for two years. Addisson does not walk normally and may need surgery.

Thank you so much for all you do.

Without you there would be a lot less smiling children in the world. I am so appreciative of the selflessness and love given to my family when we needed it most.

My Gift Program unveils new items

Each year, the *My Gift Program* offers unique items for members to show their support for the philanthropy. All donations benefit the Convalescent Endowment Fund and your Temple will receive credit for your contributions.

Supreme Queen Margaret Ann has selected an exciting new "Season of Children" collectible ornament. This beautiful pewter ornament is the 16th in the series of Egyptian-themed ornaments, each telling a special story. This is a wonderful time to start or add to your

collection of these special ornaments.

A new "For the Children" pin is also available. These pins are a special reminder to us of our support for Shriners Hospitals for Children® and our happy, healthy children. Get your pin early and enjoy wearing it every day at Supreme Session and all year long.

As the conclusion of the Daughters of the Nile 100th Anniversary draws near, there is still time to acquire one or more of our two limited-edition anniversary

items, the magnificent Anniversary Crystal and the

onyx and mother of pearl Anniversary Pendant. These unique and beautiful gifts will be a reminder of the history of Daughters of the Nile and our continued service and dedication to our beloved order.

The *My Gift Program* is designed to provide you with beautiful gifts in recognition of your donation, and donations are tax deductible. We can all make a difference, one child at a time!

Foundation Board assumes duties

At its February meeting, the Foundation Board of Directors, the following officers were elected: Vickie Hill, Merak Temple No. 104, President; Herbie Kay Lundquist, Ruh Neb Temple No. 64, Vice President; Muriel Knapp, Hatasu Temple No. 1, Secretary; Kendall 'Kendy' Cusick Rindone, El Mejdal Temple

No. 47, Treasurer; Doriann Stein, Tab'Itha Temple No. 135, Executive Committee. Sue Layman, Isis Temple No. 41 and Dixie Miller, Shimron Temple No. 133 were elected to second terms. New members joining the board for three-year terms are Marjorie Clericuzio, Shilah Temple

No. 151; Wanda Dunwoody, Mat-Ta-Nah Temple No. 136; Alice Lanford, Nyla Temple No. 152; and Jessica Penn, Khafra Temple No. 121. Continuing members of the Board are Karen Burk, Sapphira Temple No. 79 and Jean Gannett, Nefru-Ari Temple No. 17.

Meet Audin: A Beautiful Child

Audin Hoenke is a beautiful eight year-old young Shrine child from Helena, Montana.

When Audin was born, her parents felt they had a perfect baby girl to cherish and rear in Montana. Audin was 15 months old when her parents David and Kimberly Hoenke realized her hips “may not be right.” They saw their pediatrician and he told them both hips had hip dysplasia. He referred them to the Shriners Hospital for Children® - Spokane. The family was very familiar with this hospital as Audin’s great grandparents, Past Potentate Tom Battershell from Algeria Shrine Temple in Helena and his wife Louise, a member of Sapphira Temple No. 79, Daughters of the Nile, had been involved most of their lives assisting Shrine children. Now a member of their own family would receive this special care.

Audin was just 18 months old when she had the first surgery on one leg and two years old for the second surgery on the other leg. David said she’d been in a cast a third of her life at that time.

The doctors told them the ball and socket of each leg was abnormal. In each operation, the doctors removed some of the upper leg bone in each leg and inserted screws that would

grow as Audin grew. Then they pulled the balls down and set them in each hip socket during both operations. There were two incisions in each leg. She was in a cast from her arm pits to her toes with her legs spread out very wide for six months with each operation. An area was cut out of the cast so diapers could be used. Just changing diapers was quite a challenge for the family. After six weeks they would return to the hospital in Spokane for a new cast.

8 year old Audin

David remembers it was hard to carry Audin. The cast doubled her weight. They also discovered she was allergic to protein which meant another major change in her care. The hospital provided a special car seat with harnesses that were made especially for these types of casts.

She was in the hospital five to seven days with each operation. Her parents and infant brother Caydin

stayed at the Ronald McDonald House, which is next to the Shrine Hospital and was very convenient. The Shriners provided the lodging and gave the family vouchers for food and gas, which was also greatly appreciated.

Watching Audin get around their home was interesting. They made a black cart she would use like a walker and she did learn to walk in the casts.

David is so thankful Shriners Hospitals for Children® exist! He said, “People do not appreciate them until they need them. We all need to open our eyes to charities and help them in any way we can.” The hospital staff was wonderful to work with. David told about a nurse named Coca that would talk them through everything that was happening. It was heart-warming for them!

Today, Audin is a normal eight year old, running and playing with her friends. “Hot Chilies” is one her favorites when jumping rope. She was the honored Shrine child at a recent Sapphira Temple Style Show where she brought the quilts she and brother Caydin were given at the Shriners Hospitals for Children® - Spokane to show everyone. They love them especially because they were made for each of them by a Daughter of the Nile!
