DAUGHTERS OF THE NILE FOUNDATION HELPS PROVIDE CARE FOR CHILDREN

The Daughters of the Nile Foundation is a 501(c)(3) nonprofit public corporation which maintains a permanent endowment fund to benefit Shriners Hospitals for Children®. All monetary donations promote, support and maintain the philanthropic

endeavors that enhance the medical care and treatment of the patients in the Shriners Hospitals for Children®. Each year, the Daughters of the Nile Foundation contributes funds to Shriners Hospitals for Children® to assist with the medical care and rehabilitation of the children. The annual distribution is a percentage of the market value of CEF plus the contributions to CRA. Since 1924, Daughters of the Nile has contributed monetary gifts amounting to over \$62 million for the children treated at Shriners Hospitals for Children®.

CONVALESCENT ENDOWMENT FUND

The Foundation's Convalescent Endowment Fund (CEF) is an irrevocable Trust Fund supported by donations from Daughters of the Nile; individuals; Stepping Stones to Happiness certificates; wills and bequests; matching gifts; and the *My Gift*

Program; Federal, State, County and Municipal Governments, departments and agencies thereof; foundations, and corporations. A contribution to the Convalescent Endowment Fund, whether it is \$1.00, \$1,000.00, or \$100,000.00, is a lasting gift. The Daughters of the Nile Foundation helps ensure better lives for these special children, today and in the future.

CONVALESCENT RELIEF ACCOUNT PROVIDES FUNDS NOW

The Convalescent Relief Account provides annual cash contributions to the Shriners Hospitals for Children®. Contributions to the Convalescent Relief Account are used in the fiscal year in which they are received. Contributions to the CRA, together with a percentage of the CEF market value, are donated directly to Shriners Hospitals for Children® for support of the hospitals. A donor gift to the Convalescent Relief Account represents a one-time contribution to help in the *World's Greatest Philanthropy—Shriners Hospital for Children®*.
