The Holiday Season is a wonderful time for giving, caring, and sharing! This special time of the year will soon be here. Your donations to the Foundation's Holiday Sharing Program play a large part in our annual contributions to Shriners Hospitals for Children®. Now is the perfect opportunity to begin making individual and group donations.

Please remit your contributions by December 15, 2019, in order for your Temple to receive credit for this fiscal year. All donations received after December 15 will be credited to Holiday Sharing 2020. Please mail your generous donations to the address shown below or contribute online at www.donfdn.org.
