

As the holiday season quickly approaches, let us take time to count our blessings and share with others so they may be as blessed as we are.

I know all of you have already come up with a great fundraiser for **Holiday Sharing**, but, if you haven't, you had better get busy! I have heard great ideas from a 50/50 raffle to a Halloween luncheon to a dessert auction. No idea is too small or too late. If you are struggling with ideas, do not hesitate to reach out to me. I am happy to help you think of something doable for your particular temple.

Each year the foundation looks forward to presenting award certificates to temples in the four membership categories. The top three Temples in each category will be recognized at Supreme Session in June of 2023 at the Foxwood Casino in Connecticut.

For your funds to be credited to the 2022 fiscal year, they must be postmarked by December 15, 2022. After that date, they will be credited to your Temple for the 2023 year.

US donations should be sent to:

Daughters of the Nile Foundation
6705 Mesa Drive
Austin, Texas 78731-2817

Members of Daughters of the Nile are very generous, and I look forward to seeing your generosity again this year.

May this holiday season fill your heart with love and blessings!
