For the Children Pin

Since 2008 a new pin depicting children having fun has been made available every year. The pin provides an opportunity to support our philanthropy and is often an item that serves as a conversation piece, offering the owner to talk about the support given by Daughters of the Nile to the Shriner's Children™. This year the pin demonstrates children in Super Hero costumes, and is a reminder that we are all Super Heroes.

EGYPTIAN HERITAGE SYMBOL

Introducing the first in the new series of the Supreme Queen's favorite symbol from ancient Egypt.

The people of those times believed that carrying an ankh amulet would offer protection and eternal life.

A close-up photograph of a circular, textured amulet. The amulet is made of a material with a fine, pebbled texture. In the center is a raised ankh symbol. Below the ankh, the year "2023" is embossed. The amulet is attached to a thin, dark cord at the top. The background is a plain, light-colored surface.

Although the Season of Children Ornaments has ended, all available ornaments can be found on the website. If you want to complete your collections or add a favorite ornament, visit www.donfdn.org.

Charms, Charms, Charms

The Daughters of the Nile Foundation's only philanthropy is the Shriners Children's™. A check is presented each year and specialized equipment is purchased for several hospitals that are a part of the program. Your gift that you receive with your donation makes this possible. You can **MAKE A DIFFERENCE**, whether your gift is small or large.
