

As the holiday season quickly approaches, let us take time to count our blessings and share with others so they may be blessed as well.

I am sure you have already chosen a great fundraiser for **Holiday Sharing**, but if you have not, please put that on your “To-Do List.” We have heard of several great ideas from 50/50 raffles-to seasonal luncheons, to wine and dessert auctions. No idea is too small or too late. If you are struggling with ideas, do not hesitate to reach out to me. I am happy to help you think of something doable for your Temple.

Each year the Foundation looks forward to presenting award certificates to Temples in the four membership categories. The top three Temples in each category will be recognized at Supreme Session in June of 2024 in Boise, Idaho.

For your funds to be credited to the 2023 fiscal year, they must be postmarked by December 15, 2023. After that date, they will be credited to your Temple for 2024.

US donations should be sent to:

Daughters of the Nile Foundation
6705 Mesa Drive
Austin, Texas 78731-2817

Members of Daughters of the Nile are always so very generous and I hope to see that Nile love and generosity again this year.

May this holiday season fill your heart with love and blessings!
